

NOTICE OF AVAILABILITY OF A DRAFT NEGATIVE DECLARATION FOR  
ADDENDUM NO. 4 TO CLEANUP AND ABATEMENT ORDER NO. R9-2004-0258.  
Notice is hereby given that the California Regional Water Quality Control Board, San Diego Region (San Diego Water Board), acting as lead agency under the California Environmental Quality Act, intends to adopt a Negative Declaration for Addendum No. 4 to Cleanup and Abatement Order No. R9-2004-0258 for the cleanup and abatement of waste discharged to land at the former Teledyne Ryan Aeronautical (TDY) site located at 2701 North Harbor Drive, San Diego, California. As assessed in the Initial Study, the proposed action to cleanup and abate wastes discharged to land at the former TDY site will not have a significant effect on the environment. The Negative Declaration/Initial Study and the Resolution for the Negative Declaration are available for public review on-line, at the following URL:

**[http://www.waterboards.ca.gov/sandiego/water\\_issues/programs/ground\\_water\\_basin/index.shtml](http://www.waterboards.ca.gov/sandiego/water_issues/programs/ground_water_basin/index.shtml)**

Interested persons will be given until February 2, 2011 to submit comments on the Negative Declaration. Written comments on this matter received after 5:00 P.M. on February 2, 2011 will not be considered by the San Diego Water Board. Written comments should be submitted electronically to [oosibodu@waterboards.ca.gov](mailto:oosibodu@waterboards.ca.gov) in Portable Document Format (PDF) or Microsoft Word format. Written comments that exceed five printed pages in length, and that are received after February 2, 2011 will not be accepted or provided to the San Diego Water Board. After the comment period, the San Diego Water Board will consider adoption of the Resolution adopting the Negative Declaration at an upcoming meeting. If you have any questions regarding this matter, please contact Mr. Fisayo Osibodu at (858) 637-5594, or via email at [oosibodu@waterboards.ca.gov](mailto:oosibodu@waterboards.ca.gov).
